

Application for inclusion in the ELE register

Required proofs

Students seeking ELE certification provide evidence of their qualification on the basis of the modules they have taken and examined. For this purpose, interested students submit a transcript of records to their responsible department head at the university, who confirms this in writing and passes it on to the ELEA examination management.

Contact

Hochschule Wismar University of Applied Sciences: Technology, Business and Design, Fakultät Gestaltung, Architectural Lighting Design, represented by Prof. Dr.-Ing. Thomas Römhild.

Name*

First name*

Street + No.

ZIP

City*

Country*
